"Emergency,
Smoke Detected in Living Room!"

Works with
First Alert by
Resideo app

Smart Alerts for Homeowners

Complete setup with the First Alert app and unlock mobile alerts for the homeowner. Plus, when installing multiple SC5 Smart Smoke & CO Alarms, homeowners can program room names and know where the danger is located with voice alerts.

Integrate for a Connected Home

By installing the SC5 Smart Smoke & CO Alarm and interconnecting with compatible BRK and First Alert alarms, turn any home smoke/CO system smart. When one sounds, they all sound with mobile alerts.

Find compatible
alarms

Also works with Nest,
compatible First Alert
and BRK alarms
